

u3a Longridge Monthly Bulletin

Longridge U3A is seeking our new chair.

You know someone who would be perfect as our new chair, but they probably wouldn't consider putting themselves forward!!

Have a word with that person and encourage them to have a chat with Barbara Griffiths (bagriffiths11@btinternet.com) and allow you to nominate them.

We have so many volunteers who started thinking they couldn't do it, weren't good enough etc. They have flourished, gained confidence and make a tremendously important contribution.
